

# Albin Erlanson

Department of Economics  
Stockholm School of Economics  
Box 6501  
S-113 83 Stockholm, Sweden

Office: +46-87369212  
Email: [albin.erlanson@hhs.se](mailto:albin.erlanson@hhs.se)  
Homepage: <http://erlanson.weebly.com>  
Personal: Born 1984-09-07, Swedish citizen

## Education

**Lund University, 2005-2008:** Bachelor of Social Science in Economics, August 2008

**University of Gothenburg, 2008-2009:** Courses for Master Degree in Mathematics

**University of Rochester, 2012-2013:** Visiting PhD student

**Lund University, 2009-2014:** PhD in Economics, September 2014

Supervisor: Tommy Andersson

Faculty opponent: Jean-Jacques Herings

## Employment

**Bonn University** Research associate at Benny Moldovanu's chair 2014 – 2016

**Stockholm School of Economics** Postdoctoral researcher from 2016

## Research Fields

Microeconomics, Mechanism Design, Social Choice Theory, Auctions and Game Theory

## Publications

1. Multi-item Vickrey-English-Dutch Auctions (with Tommy Andersson)  
*Games and Economic Behavior* 2013, volume 20, 116 – 129
2. The Duo-Item Bisection Auction  
*Computational Economics* 2014, volume 43, 15–31
3. A Method for Finding the Maximum Set in Excess Demand (with Tommy Andersson, Jens Gudmundsson, Helga Habis, Jim Ingebretsen Carlson and Jörgen Kratz)  
*Economics Letters* 2014, volume 125, 18 – 20
4. Strategy-proof assignment of multiple resources (with Karol Flores-Szwargzak)  
*Journal of Economic Theory* 2015, Volume 159, 137 – 162

## Working Papers

- Costly verification in collective decisions (with Andreas Kleiner)
- A note on optimal allocation with costly verification (with Andreas Kleiner)
- Allocating divisible and indivisible resources according to conflicting claims: collectively rational solutions (with Karol Flores-Szwargzak)
- Maximizing a separably concave function over a discrete constraint set (with Karol Flores-Szwargzak)

## Teaching

### Lund University

**2010:** Lecturer at workshop in mathematics for introductory course in economics. **2011:** Lecturer at introductory course in microeconomics. Teaching assistant at PhD course in microeconomics. **2012:** Lecturer at introductory course in microeconomics. Teaching assistant at PhD course in microeconomics. **2013:** Lecturer at core mathematics course for PhD-students. **2014:** Lecturer at workshop in mathematics for introductory course in economics.

### Bonn University

**2014/2015:** Lecturer at course in mechanism design and social choice for master students. **2015/2016:** Lecturer at course in mechanism design and social choice for master students.

### Stockholm School of Economics

**2016:** Lecturer at course in mechanism and market design for master students.

## Conferences

**2008:** 27th Arne Ryde Symposium on Mechanism Design in Lund, Sweden. **2010:** Distributed Decisions via Games and Price Mechanisms in Lund, Sweden. 10th International Meeting of the Society for Social Choice and Welfare in Moscow, Russia. **2011:** 7th Biannual International Conference of the Society for Economic Design in Montreal, Canada. Summer School on Bargaining Theory and Applications in Turku, Finland. 4th Meeting of the Nobel Laureates in Economic Sciences in Lindau, Germany. The Arne Ryde Memorial Lectures 2011 in Lund, Sweden. **2012:** 31st Arne Ryde Symposium Economic Theory and Applications in Malaga, Spain. 11th International Meeting of the Society for Social Choice and Welfare in New Delhi, India. **2013:** 8th Biannual International Conference of the Society for Economic Design in Lund, Sweden. Summer School on Matching Problems, Markets, and Mechanisms in Budapest, Hungary. The 6th Nordic Optimization Symposium in Gothenburg, Sweden. Workshop in honor of Bezalel Peleg in Odense, Denmark. 8th Doctoral Workshop on Economic Theory in

Bielefeld, Germany. **2014:** 19th Coalition Theory Network Workshop in Brussels, Belgium. 7th RGS Doctoral Conference in Economics in Dortmund, Germany. Invited speaker to COST workshop in Maastricht, Netherlands. 12th International Meeting of the Society for Social Choice and Welfare in Boston, USA. 25th School in Economic Theory 2014, Jerusalem, Israel. COST Action Summer School: Interdisciplinary Analysis of Voting Rules, Caen, France. 2nd Summer School of the Econometric Society, Seoul, South Korea. Nationell konferens i nationalekonomi 2014, Umeå, Sweden. The Arne Ryde Memorial Lectures 2014 in Lund, Sweden. **2015:** Invited speaker to Workshop in Microeconomic Theory, University of Lausanne, Switzerland. 9th Biannual International Conference of the Society for Economic Design in Istanbul, Turkey. 11th World Congress of the Econometric Society in Montreal, Canada. 7th UECE Lisbon Meetings in Game Theory and Applications 2015 in Lisbon, Portugal. The 2015 European Winter Meeting of the Econometric Society in Milano, Italy. **2016:** Mapping Political Preferences in Toulouse, France. 13th International Meeting of the Society for Social Choice and Welfare in Lund, Sweden. GAMES 2016 the 5th World Congress of the Game Theory Society in Maastricht, Netherlands.

## Referee Assignments

Computational Economics, Economic Journal, Games and Economic Behavior, Mathematical Social Sciences, Social Choice and Welfare, Journal of Economics, Journal of Mathematical Economics, The B.E. Journal of Theoretical Economics, Review of Economic Design.

## Scholarships and Travel Grants

**2011:** Stipend for studying abroad (ca. 60.000 EURO) from *The Jan Wallander and Tom Hedelius Foundation*, travel grant from *The Partnership Foundation*. **2012:** Stipend for graduate studies (ca. 15.000 EURO) from *The Jan Wallander and Tom Hedelius Foundation*, travel grant from the *Siamon Foundation*. **2013:** Travel grant from COST Action. **2014:** Travel grant from COST Action. **2015:** The Jan Wallander Post-doctoral Scholarship (ca. 170.000 EURO, personal grant for 3 year full time research) from *The Jan Wallander and Tom Hedelius Foundation*.

## Participation in Research Programs

- “Economic Design”, research program financed by *The Jan Wallander and Tom Hedelius Foundation* (principal researcher Lars-Gunnar Svensson), 2013 – 2016.

- “Dynamic Mechanism Design: Theory and Applications”, ERC Advanced Grant for Benny Moldovanu, 2014 – 2015.

## Prize

The Färs and Frosta Research Prize for best PhD thesis at the School of Economics and Management, Lund University, during 2014.

## Languages

Swedish (mother tongue), English (fluent), Spanish (basic), German (basic).

## Seminar Presentations

Lund University (2011, 2012 and 2013), University of Rochester (2012), University of Bonn (2013), University of Rostock (2013), University of Mannheim (2014), Max Planck Institute for Research on Collective Goods in Bonn (2014), Aarhus University (2015), University of Bergen (2015), University of Zurich (2015), University of Bonn (2016), Berlin (planned 2017)

## Administrative Work

Member of the local organizing committee for the conference of the *Society for Economic Design* and the Mini-Course on Economic Design in Lund 2013.  
Program committee member for the 13th International Meeting of the *Society for Social Choice and Welfare* in Lund, Sweden 2016.
